

eMolecule- bestellingen

Wilt u uw eMolecules op
vwr.com bestellen?
Ga naar **www.vwr.com**

1 Stap 1

- Log in op **vwr.com** en selecteer 'services => De bouwstenen-portaal'
- Als deze optie niet beschikbaar is, neem dan contact met ons op via **cs.nl@avantorsciences.com**

The screenshot shows the VWR website interface. At the top, there's a navigation bar with the VWR logo and user account information. Below this is a main menu with categories like 'NOS PRODUITS', 'DISCIPLINE', 'SERVICES', and 'PLUS...'. A search bar is also present. The 'SERVICES' section is expanded, showing a list of services including 'Services VWR CATALYST', 'Services de solutions à façon VWR', 'VWR Science Portal', 'Commerce électronique / Solutions technologiques mobiles VWR', 'VWR Single-Use Solutions', 'Services techniques', 'The Building Blocks Portal', 'Labtools', 'Je crée ma start-up ...', 'e-Newsletter', and 'Centre de Formation'. The 'The Building Blocks Portal' is highlighted. The main content area features the 'VWR Building Blocks Portal' logo and a section titled 'Search, Source, and Order Compounds Quickly'. This section describes how the portal accelerates discovery by reducing search time and streamlining procurement. It lists several benefits: access to 650,000 compounds, sub-structure similarity or exact search, real-time pricing, and rigorous supplier validation. A 'How to Order' section follows, explaining that users need to be logged in and select the 'Build Blocks Portal' link from their profile page. A 'Continue' button is located at the bottom right of the page.

The Building Blocks Portal

VWR Building Blocks Portal
POWERED BY eMOLECULES

Search, Source, and Order Compounds Quickly

Accelerate your discovery by **reducing** your search time and **streamlining** procurement process complexities with the **VWR Building Blocks Portal, powered by eMolecules**.

VWR's product and service solutions plus eMolecule's data and chemical sourcing expertise combine to deliver a streamlined search, source and order process for chemical building blocks so you can focus on your discovery.

- Access 650 000 compounds through www.vwr.com
- Sub-structure, similarity or exact search; or use an SD file, SMILES, chemical name, CAS number, MCFD number etc.
- Real time price and availability
- Rely on our expertise in DOT and DEA compliance
- Rigorous supplier validation for quality compounds and quick turnaround deliveries
- Click below to access this powerful search engine tool and add your requirements to your VWR shopping basket for all your lab supplies.

The VWR and eMolecules support team and online tracking system works in harmony to ensure that your order arrives on time and to your specifications.

How to Order

To take advantage of this enhanced functionality you will need to be logged in.

Please click Continue below and select the "Build Blocks Portal" link from the My Profile page.

By clicking continue, you agree to the [Terms of use](#).

Continue

2 Step 2

- Zoek op basis van structuur of naam van de chemische stof

3 Step 3

- U krijgt een melding dat uw zoekopdracht wordt uitgevoerd

4 Step 4

- Geef de resultaten weer als een lijst
- Selecteer uw component en klik op 'toevoegen aan winkelmand'

Structure	MolWt	MF	Supplier	Supplier's ID	CAS Number	Shopping Cart
	252.099	C12H7ClNO	Rieke Metals	5570-43	54523-80-7	Add to Shopping Cart
			Matrix Scientific	107295	54523-80-7	
			UORSY BB - Backordered	BBV-34726086		

5 Step 5

- Kies het land van bestemming en klik op 'opslaan als mijn standaardbestemming'

The screenshot shows the VWR Building Blocks Portal interface. A modal window titled "Shipping Destination" is open, prompting the user to select a country. The modal includes a dropdown menu for "Country" and a "Save my default shipping destination" button. The background shows a table with chemical structures and a sidebar with tiered shipping options.

6 Step 6

- Selecteer de gewenste leverancier, voeg het aantal toe aan de bestelling en klik op 'toevoegen aan winkelmand'

The screenshot shows the VWR Building Blocks Portal interface. A modal window titled "Tier 2: Ships in 2-10 business days" is open, displaying a table of suppliers and their prices. The table includes columns for Supplier, Supplier's ID, Select, Qty, Amount, Units, and Price. The "Add to Shopping Cart" button is highlighted.

7 Step 7

- Een nieuwe zoekopdracht invoeren
- En/of extra producten toevoegen met nieuwe componenten
- Klik op 'Winkelmand bekijken' wanneer u klaar bent

The screenshot shows the VWR Building Blocks Portal interface. The "View Shopping Cart" button is highlighted in the top right corner. The main table displays the contents of the shopping cart, including chemical structures, MolWt, MF, Supplier, Supplier's ID, CAS Number, and Shipping Cart status.

8 Stap 8

- Controleer uw winkelmand en klik op 'Deze producten kopen'

11 Stap 11

- Uw eMolecules-product kan nu worden besteld op vwr.com

The screenshot shows the VWR eMolecules website interface. At the top, there are logos for VWR (We Enable Science) and JENCONS (a VWR Division). Navigation links include Express Order, User-Options, Logout, and a cart icon showing 2 items for £204.00. A main navigation bar contains links for PRODUCTS, SERVICES, PROMOTIONS, LITERATURE, EVENTS, CONTACT, ABOUT VWR, and USER-OPTIONS. A search bar is present with a 'Go' button and links to Advanced, MSDS, and Certificates of Analysis. The left sidebar under 'USER-OPTIONS' lists various actions like Order Thermo Scientific Biopolymers, Order From eMolecules, Edit your profile, Order Tracking, Quote Tracking, Load saved quotes, Contract Tracking, Create a special order, Non-catalogue order, Shopping Lists, and Create Best Buy Shopping List. The main content area is titled 'Shopping Basket' and shows a table of items:

Description	Each	Quantity	Total
205742064-208012787 D226215, 10 mg, Dichlorane A, Toronto Research Chemicals	£93.20	1	£93.20
Available: Available Quantity: 1			
EMOLSHIPPING EMOLSHIPPING	£100.00	1	£100.00
Available: Available Quantity: 1			

The total for the basket is **£204.00**. A note at the bottom states: 'Customer prices for some articles may contain specific additional fees included in the price e.g dry ice delivery, alcohol tax and others. If you have any queries please contact customer services. You must update the shopping basket after changing cost centers and/or project numbers.' At the bottom right, there are icons for a shopping cart, a document, a printer, and a refresh button.
